

Requesting Academic Student Records

Student records may be requested by completing the Request for Student Records form (page 2) which can be faxed to 803-253-6279, emailed to registrar@scvcs.org, hand carried to our office in West Columbia, or mailed to:

South Carolina Virtual Charter School
Attn: Registrar
2023 Platt Springs Road
West Columbia, SC 29169

Requests are processed in the order they are received. Please allow 1-3 business days upon receipt for request to be processed. Incomplete forms will not be processed.

The request form must be signed by the parent or legal guardian if the student is under 18. If the student is 18 or older, the student's signature is required. At age eighteen (18) a student record belongs to the student and the parent/guardian will not have access to the record unless written consent is provided by the student. You must provide a legible copy of your valid government ID

If records need to be sent to a new school, please advise the new school to send an official records request to SCVCS. It is the new school's responsibility to request official records.

If you are requesting records due to moving to another school, please provide the new school name, city, and state on the request form.

*** A true signature is required on the request form; typed signatures will not be accepted.**
